YOUR WISH

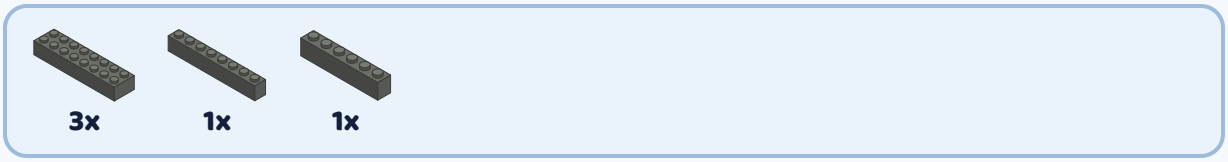

“I want the Empire State Building” · Designed by BrickWish just for you

Before you build

1. Build at a table, with a tray or a plate, so no piece rolls away.
2. Open one bag at a time. The steps tell you when to open the next bag.
3. Each step shows the new pieces in the blue box. In the picture, new pieces have a pink outline.
4. Press every piece down until it clicks.
5. Stuck? Ask a grown-up to help. Missing a piece? A grown-up can tell us and we'll send it free.

How to read a step
